# Accreditation

The goal of accreditation is to ensure that education provided by institutions and/or programs of higher education meets acceptable levels of quality (U.S. Department of Education).

# Accrediting Agencies

Private educational associations of regional or national scope that

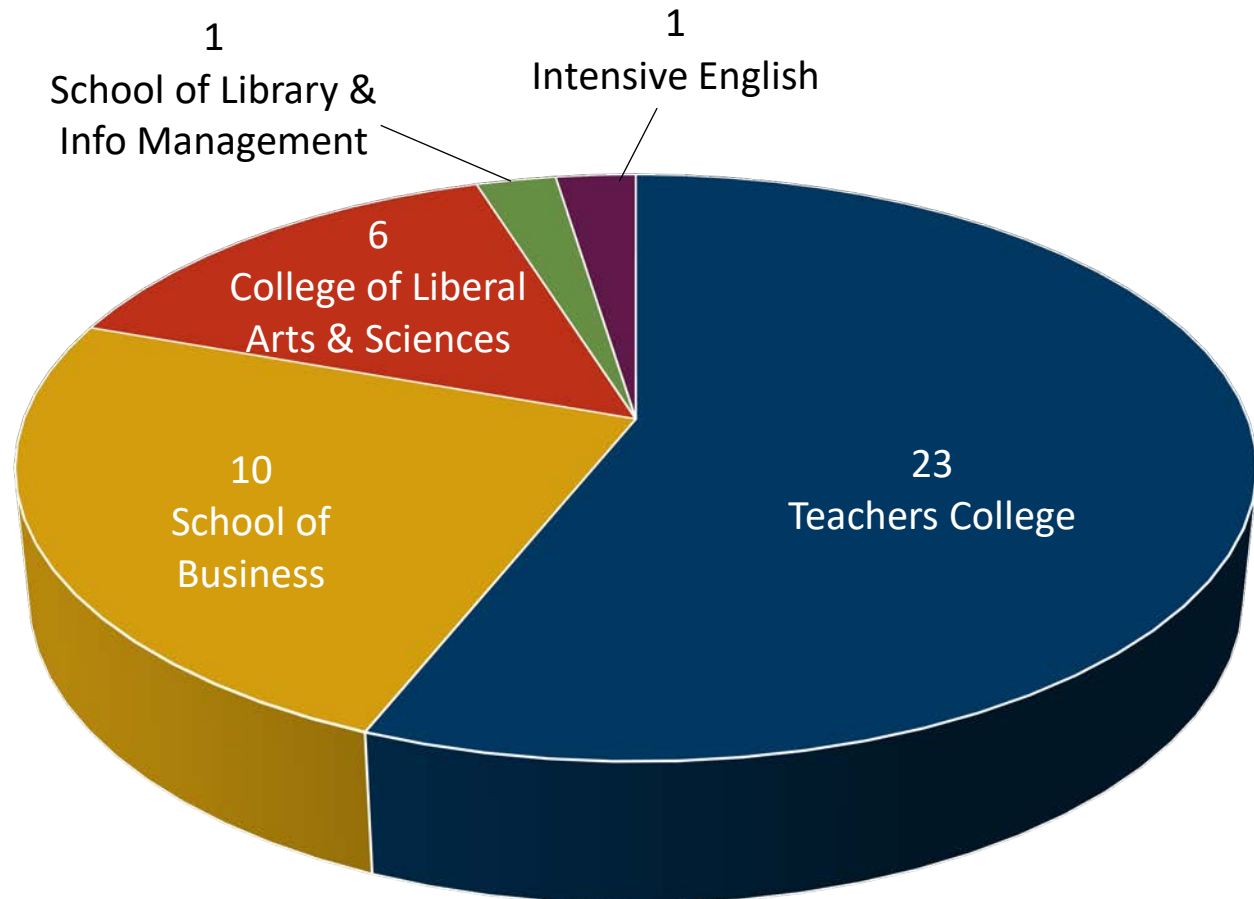

- develop evaluation criteria and
- conduct peer evaluations to assess whether or not those criteria are met

# Accreditation Status

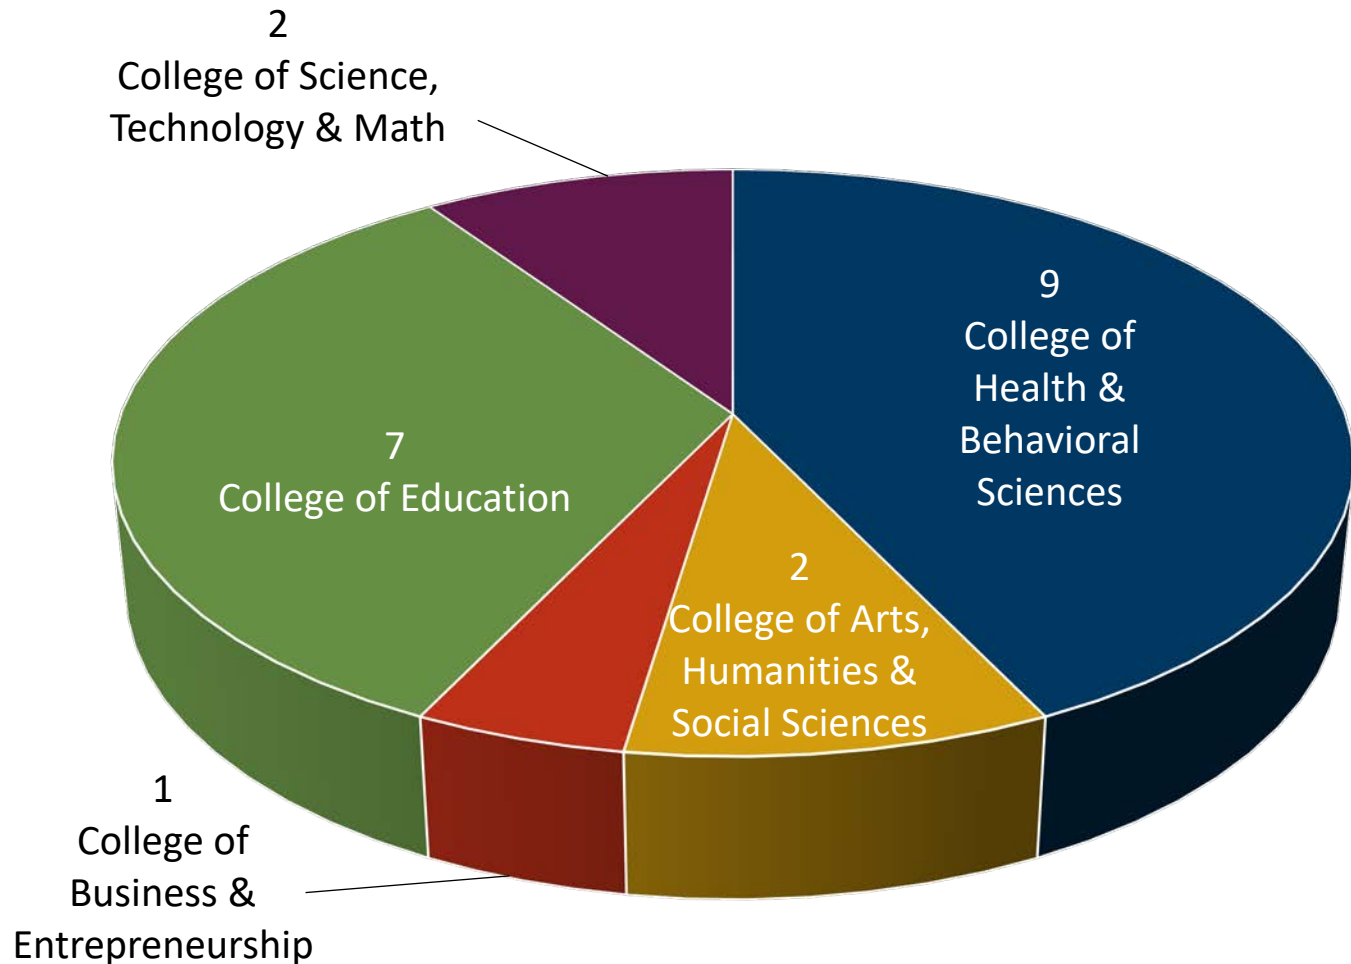

Per Board Policy, this report must include whether the program is granted full accreditation or is on probationary status. The following do not indicate probationary status:

- Initial
- Candidacy
