Wichita - in order to keep the wheels moving - taken fr. last years Appropriation by C. E. Society are only loaned. Say further that not only do they lose nothing thereby, but do not even, on the whole, suffer delay.

The salaries for last year will all be paid to the last dollar. For the delay I greatly regret. But the Society should not be blamed. It is suffering in common with all other organized benevolences fr. the "hard times"

thro' which we are passing, & in addition is suffering for "Fairmount College". Moreover, S. C. is treated with special favor & liberality by the Society, getting more money & more promptly than others, so that there is jealousy on the part of other schools.

Please read this Mr. Chase. I may not have time to answer his letter right away.

I am steadily making headway in a constituency.
