## Shocker Athletes Fare Well in MVC Tennis, Track Play

By JIM COLLIER,  
Managing Editor

Shocker track and tennis athletes came away with a good share of the laurels in the two Missouri Valley Conference spring meets held on campus Friday and Saturday.

The WU tennis team, seeded No. 1 in the MVC net tourney, had to settle for only a share of the coveted title as an equally strong Cincinnati Bearcat squad came on to win the other half of the crown.

In the Valley track carnival,

## Festival Is Enjoyed By Hundreds

The culture and personalities of people from 16 foreign lands were brought to De Mattias Hall at Sacred Heart College last weekend in an attempt to achieve a better understanding of the world's people.

And through Interfest, the annual International Festival sponsored by the Wichita International Association, this purpose was won, according to officials of the colorful three-day affair.

The main feature of Interfest was the scenic displays built to show the most typical aspects of the culture of the land. Aiding the many visitors on the short trip around the world were people in their native costumes, including many foreign students from the University.

Besides the displays, other features included variety shows, art exhibits, and promotional and informative films.

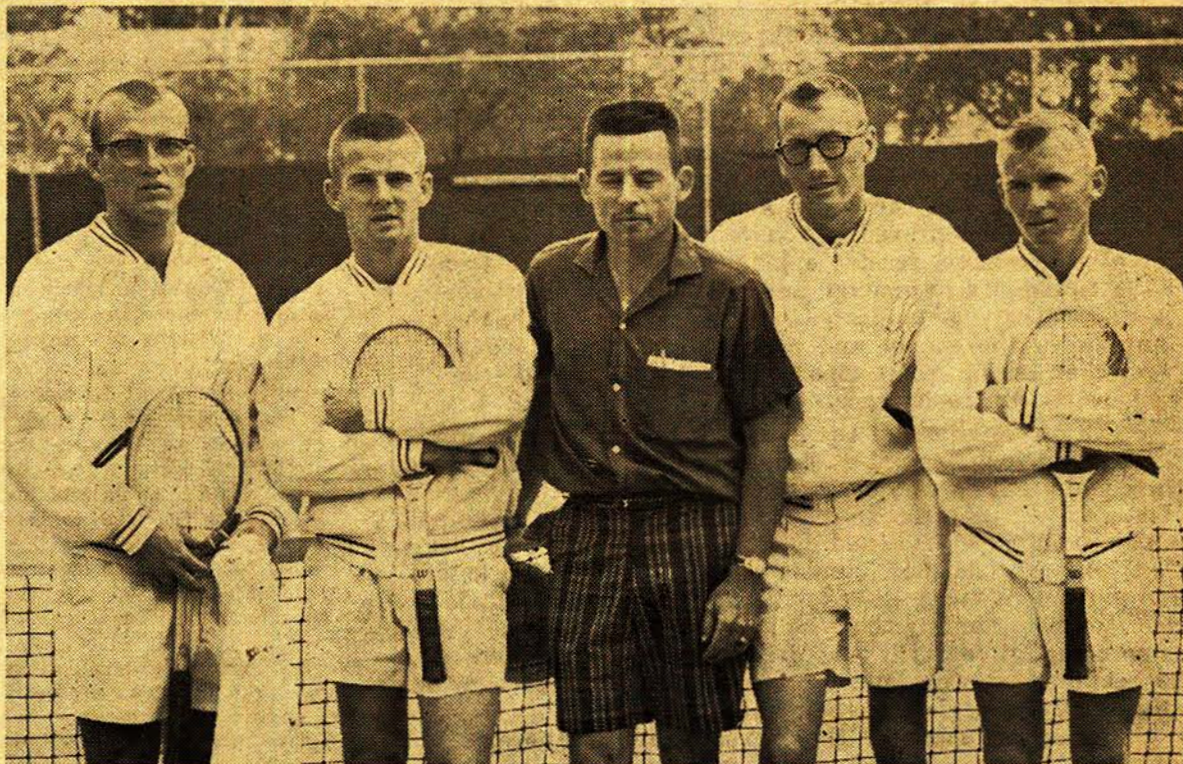

Main speaker at Interfest was Derek S. Singer, head of Latin American affairs for the Peace Corps. Singer, who substituted for Thomas Quimby, explained the various areas and purposes of President Kennedy's plan to spread freedom, understanding, and assistance to other countries.

The Peace Corps official also spoke to University students at a coffee in the CAC at 11 a.m. Saturday. "The Peace Corps needs not only technicians, but liberal arts students and others as well," Singer said.

MVC TENNIS CO-CHAMPS—The Shocker tennis team lined up for this photo just after they were assured of at least a tie for the Missouri Valley Conference net crown. The outcome of the tournament wasn't decided until the final doubles match in which WU lost and had to settle for the tie with Cincinnati. From left to right are: Norris Barker, Pete Piper, Coach Val Woodward, Gary Scott, and Neil Roush. (See Story)

## Field Day, Open House Events Climax WU Journalists' Year

Production of University Journalism Field Day is

The annual event, sponsored by the University journalism department, will draw numerous professional and student journalists from Wichita and the surrounding area.

More than 30 city and regional newsmen and women, are expected to attend the day's events, and more than 60 city and regional high school journalists and advisers will join University journalism students to participate in the annual Field Day.

### Registration in CAC

The 1961 event will open at 12:30 p.m. with registration in the 2nd floor lobby of the CAC. A Dutch Treat Lunch is scheduled for 1:30 p.m. in the CAC Cafeteria.

A series of current films dealing with newspaper production, and up-to-the-minute developments in photography will be shown at 2:30 p.m. in the Audio-Visual Center.

Under the direction of Garry Millsap, instructor in photography and Field Day director, photo entries will be exhibited and judged in both high school and University divisions. Judging the annual

publications will draw to a slow pace today as the 14th Annual contest will be professional photographers and faculty members.

Round table discussions will be held simultaneously for publication editors and photographers. Millsap will lead the photography discussion in Rm. 229, CAC.

Paul F. Gerhard, associate professor and chairman of the journalism department, and Gene Bratton, assistant professor of journalism, will head the editor's portion of the discussions in Rm. 209 CAC.

### Tours Featured

Tours of University radio, journalism, and speech facilities will follow the discussions.

Climaxing the day's activities will be the Annual Journalism Awards Banquet at 6 p.m. in the CAC Ballroom. Master of ceremonies for the affair will be

Vaughn Sink, editor-in-chief of the Sunflower.

Featured speaker is Don C. Granger, assistant managing editor of the Wichita Eagle and Beacon.

The banquet will be highlighted with the presentation of photography, reporting, and feature writing awards. Parnassus royalty will also be revealed during the banquet.

Selection of next year's staffs for both the Sunflower and Parnassus will also be announced. Recipients of the Wichita Press Women's Scholarship, Parnassus and Sunflower Scholarships, and the Henry W. Lawrence Photographic Journalism Scholarship will also be named.

## Mood, Albright Honored At Recognition Dinner

Honored at the annual faculty Recognition Dinner Friday evening, were Dr. Robert Mood, professor of English, and Dr. Penrose Albright, retiring chairman of the physics department.

Approximately 500 faculty and staff members were present as Dr. Albright received the title of Professor Emeritus at the dinner.

Coming to the University in 1943, Dr. Albright has been with the faculty for 18 years. Listed in Who's Who in America, Dr. Albright's career includes business, teaching and service in the field of civil aeronautics.

Dr. Albright earned degrees from the Rensselaer Polytechnic Institute, N.Y. and the University of Wisconsin.

Dr. Robert Mood was accepted as the 26th member into the Order of the Benders of the Twig. Membership in this order denotes 25 years of service to the university. In 1936 coming from the University of Illinois, Champaign-Urbana, Dr. Mood joined the University faculty. He teaches English courses and served as chair-

man of the English department from 1949 to 1958.

Dr. Mood holds degrees from Southwestern at Georgetown, Texas, where he received his bachelor's, his master's from Columbia at New York City, and his doctorate from the University of Illinois.

## Meeting Called For Practice Teachers

All secondary students who plan to do their practice teaching in the fall semester, with the exception of music students, are to meet in Rm. 306 Jardine Hall at noon, today. It is important that they be there, according to Kenneth Nickel, assistant professor of Education.

## Welsh Elected Debate Prexy

The University Debating Society held its annual election of officers May 10.

Officers elected for the 1961-62 school year are: Marci Welsh, president; Al Mattson, vice-president; Jill Karst, secretary; Clay Hawes, treasurer; Glenda Gray, historian. Judy Wallace retired as president of the group.

Plans are being made for the debaters to participate in demonstration debates in the regional high schools in September.

Debates will be given on the high school topic concerning federal aid to education in September before intercollegiate competition begins.

It was the final meeting of the year for the University Debating Society.

# Crime Against Sports

With spring sports generally being de-emphasized around the country, it was gratifying to see the marked enthusiasm remaining in this area in the Missouri Valley Conference by witnessing the track and tennis tournament here Friday and Saturday.

Even though these "minor" sports—as they are unjustly referred to—have taken a back seat to their autumn-winter big brothers in the good old U.S.A., they still offer for thousands of collegiate athletes the good, clean competition they deserve.

Two of our own spring sports teams proved their excellence over the weekend. With the tennis team taking a share of the crown and the track team finishing third they proved, through their winning efforts, that they should receive a little more confidence from the University in general, and the Athletic Department in specific. We should say, they proved once again their worth to the school and athletic program—since the Shocker spring sportsmen have always added their share to the trophy case.

The problem here at the University is that spring sports are being de-emphasized . . . as they are, no doubt, around the country. Since this type of competition isn't the "highly competitive, spectator sport" that football and basketball have become noted for, and doesn't "pay off," then it seems that all the baseballers, tennis players, golfers, tracksters, and swimmers (what!) will be marked as unimportant.

It appears unfair that the spring athletes, who have the same competitive spirit and drive that the footballers and basketballers possess, do not receive the same recognition (financially, that is) as their counterparts.

The simple basis of the "whole" problem here is the almighty dollar. Football and basketball are the money sports; they are supposedly the ways and means of any or all sports on the campus. The truth of the matter is that these two major sports have to make enough money to not only support themselves but to carry the spring sports as well.

The football program last season, although it had a championship team, was unprofitable, i.e., it didn't make enough money. The cage sport did fare somewhat better. The result was that the budgets of the spring sports were cut. For instance, our baseball team, which performed respectably during the season, barely got out of the state to play—the longest trip was to Enid, Okla. Last year they at least took a road trip. The championship tennis team had to contend with playing such stalwarts as Southwestern College in preparing for the MVC challenge they met and conquered.

We are all for the football and basketball programs, in fact, we'd like to see them expanded too. But we are also all for the baseball, tennis, track, and golf programs.

They deserve a fair break. If the University waits until the football team has a 40,000-seat stadium and has such opponents as Minnesota on the schedule, then they will have waited about five years too long—as far as even maintaining the below-average spring sports program it now has.

How long will such outstanding athletes as Neil Roush, Norris Barker, Pete Piper, John McCarrier, Walt Cockreham, Gayle Bryant, and Monte Kaser, to name just a few, keep on "enrolling" here if they aren't treated as equals when it comes to scholarships, etc.?

Something is obviously wrong with sports if the only yardstick is that of gate receipts. If clean competitive spirit is to be overlooked for the sake of a few pieces of silver, perhaps our system of standards could use some examination.

# Campus FM Station Gets 2nd Stipend

For the second time this month, the campus radio station, KMUW-FM, is the recipient of a cash award.

The latest grant, totaling \$450, was presented to the station by the Wichita-Sedgwick County Association of Insurance Agents. The money represents the proceeds from a recent spaghetti dinner the Agents promoted as a benefit for KMUW.

Earlier this month, the station was given \$750 by members of the Kansas Appliance Dealers Association of Wichita to increase studio facilities.

According to Ken Hadwiger, station supervisor, the money will be utilized to increase the present KMUW output from 10 watts to 250 watts. This will enable the station to cover the entire city on their FM band. The application for the power increase is currently under study by the Federal Communications Commission.

Located in the Communications Building, the station presently covers a portion of the city and is piped directly into Grace Wilkie Hall.

# Williams, Former Michigan Governor, To Speak in CAC

G. Mennen Williams, Assistant Secretary of State for African Affairs, will speak at the 7th annual dinner meeting of the Wichita Urban League.

The dinner will be held May 20 in the ballroom of the Campus Activities Center.

The Rev. Merton Rymph is chairman of the annual meeting committee. Members of the committee are Mrs. J. W. Haupt, Mrs. Robert Aitken, Edwin T. Sexton, Jr., and the Rev. Ronald Meredith of First Methodist Church.

Williams was a six-term governor of Michigan before he was named to the government post by President John F. Kennedy. He recently returned from a tour of Africa.

Reservations for the 6 p.m. dinner are being accepted at the Urban League headquarters, 3427 E. Douglas.

# Pick-Up Date Set For Caps, Gowns

Seniors caps and gowns will be available for pick-up May 31, and June 1 and 2.

According to Dick Adkisson, Bookstore manager, caps and gowns may be picked up between 8 a.m. and 4:30 p.m. May 31, and from 9:30 a.m. to 12:30 p.m. on the latter two days.

# Senior Awarded AF Scholarship

Cadet Lt. Colonel Bob Miller, education senior, was selected the recipient of the Walter H. Beech Squadron Scholarship for the second semester.

The Beech Scholarship is awarded to a junior or senior Air Force ROTC cadet who has at least a 2.5 grade average, who possesses outstanding qualities of leadership, and who is pledging or has pledged the Walter H. Beech Arnold Air Society.

He will be commissioned in June and will enter pilot training next April.

\$25,000 IN MDSE. AWARDS

Work 6 hours a day for large Kansas City corporation. Qualified applicants will have starting salary of \$95 per week. Applicants must have at least one semester of college or have been accepted into a college in the fall. For further information contact Mr. Dean M. Vane Tuesday, May 23, 3 p.m. or 5 p.m., Allis Hotel. Promptness is necessary since interviews will be held only at specified times.

EVERY COLLEGE STUDENT needs this book

to increase his ability to learn

An understanding of the truth contained in Science and Health with Key to the Scriptures by Mary Baker Eddy can remove the pressure which concerns today's college student upon whom increasing demands are being made for academic excellence.

Christian Science calms fear and gives to the student the full assurance he needs in order to learn easily and to evaluate what he has learned. It teaches that God is man's Mind—his only Mind—from which emanates all the intelligence he needs, when and as he needs it.

Science and Health, the textbook of Christian Science, may be read or examined, together with the Bible, in an atmosphere of quiet and peace, at any Christian Science Reading Room. Information about Science and Health may also be obtained on campus through the

Christian Science Organization at

# The Social Set

Several Alpha Phis attended State Day on May 6 in Kansas City.

The Delta Gammas honored their mothers with a Mothers Day Dinner. Pink carnations were given to the guests of honor before the mothers' presentation of their gifts to the graduating seniors.

Alpha Chi held their spring Formal at the Civic Playhouse Saturday night. The theme of the annual affair was the "Carnation Ball."

Beta's list of new officers for the coming year includes Gilbert Graham, president; Ed Jones, vice president; Gordon Temple, pledge trainer; Don Beck, secretary; Fred Haag, recorder; Cliff Hill, sargeant at arms; Paul Maynard, alumnae secretary; Tom Kreiling, house manager; and John Brooks, treasurer.

Women's Recreational Association elected the following officers: Val Marsters, president; Joyce Michel, vice president; Susan Crane, corresponding secretary; Linda Gummow, recording secretary; June Woodman, treasurer; and Betty Dixon, publicity chairman.

Kappa Phi, Methodist women on campus, announced its new officers as Nancy Lower, president; Pat Barton, first vice president; Barbara Edwards, second vice president; Sharon Weiss, recording secretary; Derith Hughes, corresponding secretary, and Sharon Davis, treasurer.

Lavaliered: Alpha Chi Pam McCarter to Dick Bowman, Phi Kappa Psi; Gamma Phi Sandra Arp to Rand Hendrickson, Phi Delta; and Gamma Phi Jacquie Westbrook to DU Ralph Cook.

Engaged: Tri Delt Linda Christian to Jim Wagner, ATO; Gamma Phi Ravae Hughes to John Cornell; and Gamma Phi Tandra Townsend to Faylon Rogers.

With mixed emotions of joy and hysteria, we are writing the last of the columns until next September.

To look back over the semester, we have seen Dick Honeyman of Phi Delta Theta being allegedly pinned to three different coeds, one of whom isn't even a real person; we have seen Phil Snodgrass become the DG's lawn mower; we've seen two Sig Eps getting married over Christmas vacation; we've seen a lot of

things happen in the column.

We hope that you, the reader, will forgive our trespasses and laugh with us. We realize that accuracy is a virtue in the field of journalism, but have you ever called a frat house to find out some information and talked to about four boys who try to all talk at once on the various extenstions? It's fun.

No matter what the reason for the goofs, we try. Until the insane world of registration, we bid you a fond-aufwiedersehen.

Sharon Monasmith  
Linda Gummow  
Society Editors

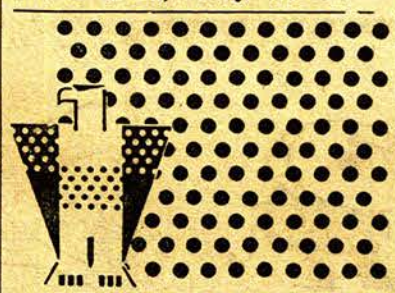

## Sigma Pi Sigma To Accept 17

Seventeen new members will be received into Sigma Pi Sigma, national physics honor society, Wednesday.

Members will be received at a dinner to be held at Brown's Restaurant, according to Dr. John Breazeale, associate professor of physics.

The featured speaker for the evening will be Dr. George L. Hall of Kansas State University. He will speak on "The Role of Mathematics in Physics."

New members to be accepted into the society include Louis Michel, John Nachbor, Jeanne Kolde, Bruce Duvall, Nick Damoskos, John Bethel, Gordon Wood, Jon Cornell, Thomas Klem, Maurice Wilkinson, Wayne Darnell, John Heerey, Esle Darter, Alan Shore, Glen Borough, Gilbert Grock, Larry Werner.

## Sigma Phi Epsilon to Record For RCA Victor in Chicago

A concert of traditional college and fraternity songs will be presented by the Sigma Phi Epsilon chapter Thursday in the FAC Concert Hall.

The songs presented will be the ones that the chapter will record for RCA Victor Records in Chicago next month. The Sig Eps won the trip to the Windy City last year from their national chapter during competition with all of the 152 SPE chapters in the nation.

The record, a 12 inch, 33 LP, will be distributed to all the chapters of the fraternity as well as nationally through record dealers. The cover of the disc will feature a picture of the local chapter taken on campus.

Thirty songs will be recorded for the record ranging from "The Halls of Ivy," to fraternity drinking songs.

Arrangements for the journey have been made by the Sig Ep national headquarters. Plans call for flying the chapter by chartered airplane to Chicago on May 31 with 50 members making the trip. An eight-hour rehearsal will be held in the RCA studios on June 1, followed by a similar eight-hour recording session the next day.

Preparing for the session, the local chapter has held practices each week during the past year under the direction of Chuck Lindsley, Fine Arts junior. A

number of the songs the group will sing have been arranged by Lindsley.

Tickets for the concert which is open to the public, can be purchased from any Sig Ep member.

## NSF Grant To Chem Prof

Dr. John W. Johnson, Jr., associate professor of chemistry, has been awarded a grant for the Research Participation Program for College Teachers which is sponsored by the National Science Foundation.

## IAC to Hold Annual Picnic

The Industrial Arts Club will hold its annual picnic May 21 beginning at 11 a.m. at Fairmount Park.

Rollin Swaim, president of the Industrial Arts Club, will be presented with the Outstanding Senior of the Industrial Education Department Award.

The award is given each year by the club and is based upon scholarship, extra-curricular activities, and personality. To be eligible, a senior must be an industrial education major.

Don Granger

## Don Granger To Speak at J. Banquet

Local veteran newsman Don C. Granger will be the featured speaker at the Journalism Awards Banquet tonight.

The assistant managing editor of the Evening Eagle and Beacon will address a combined group of professional and student journalists in the CAC Ballroom. Granger will speak on "Newspapering."

The long-time journalist has been affiliated with the Eagle and Beacon for the past 15 years. Granger followed the route of police reporter, county courthouse reporter, wire editor, and news editor to his present position. He has also served as a correspondent for both Time and Life magazines.

### SHOCKER ATHLETES

(Continued from Page 1)

Wichita and Cincinnati both had 12 points for first place and Tulsa was third with 11. After Tulsa came St. Louis, NTS, and Bradley—each with 4 points and last was Drake with 1 point.

After tennis play was completed the attention turned to Veterans Field where Saturday night, Tulsa edged out Drake by less than a point to win its first MVC track crown. TU tallied 56½ points to the Bulldogs 55½.

### McCarrier Sets Record

The Shockers, with John McCarrier setting a new record in the shot put with a toss of 52-foot 11½-inches, and Walt Cockreham and Phil Johnson winning the first two places in the javelin, finished strong for third position with 41½ points.

Cockreham hurled the spear 216-feet 11-inches and Johnson 211-feet 9½-inches. Bud Harkey of Wichita won the discus with a throw of 151-feet.

### Hampered By Wind

High winds and rain prevented but one record to be set—that by McCarrier in the shot put. Tail winds were estimated at 20 miles-per-hour.

In the special events, Don Bragg, world record holder in the pole vault, cleared only 14-feet, 6-inches and Lew Merriman, ex-Shocker distance runner, turned in a 1:53.6 in the 880-yard run.

Finishing behind the Shockers were North Texas, Bradley, and St. Louis.

Coffeyville Junior College won the Kansas JuCo track championship which was run in conjunction with the MVC meet.

## All Library Books Due Before May 29

As a reminder to all students holding library books, all books are due on or before May 29.

However, if a student is pre-enrolled for the summer sessions, he may check out books for the regular loan period after the 28th if he can show the pre-enrollment paper signed by an authorized person.

If a student, who will not be in summer school, wants to check out books, he must be registered as a special patron.

## Proves 'It's A Small World'

A German young lady and an American coed who were both in Berlin last summer and are now both in Wichita met for the first time this week.

The two, Hildegunde Fohrmann from Berlin and University coed Joan Steichen, became acquainted this week because of their mutual interest in each other's countries.

Miss Steichen's interest in Germany came through the 1960 European Seminar of which she was a member. Miss Fohrmann's interest in this country was

brought about through her sister, Mrs. R. B. Ritchie, wife of local attorney R. Bowland Ritchie.

Miss Fohrmann, who has been in this country since last June, came to the United States to improve her English and to gain experience as a dietician at the John Hopkins Memorial Hospital.

Serving as campus guide and translator is Miss Steichen. On campus, Miss Fohrmann is visiting Dr. Robert Mood's English classes in hopes of improving her English.

## Deadline Set For Forum Board Posts

Students can pick up applications for positions on the Student Forum Board in the SGA office or at the CAC Information Booth.

May 17 is the deadline for all applications, according to Mike Martin, SFB president.

LUCKY STRIKE PRESENTS:

# DEAR DR. FROOD:

DR. FROOD'S THOUGHT FOR THE DAY: A penny saved is a penny earned. And if you could put away a penny a week for one year... why, you will have fifty-two cents!

Dear Dr. Frood: Our college mascot is a great big lovable Saint Bernard. He loves everyone—except me. In fact, he has bitten me viciously eight times. What can I do to get him to like me?

Frustrated Dog Lover

DEAR FRUSTRATED: Mother him. To carry this off, I suggest you wear a raccoon coat, let your hair and eyebrows grow shaggy and learn to whimper affectionately.

Dear Dr. Frood: Most of my life here is extracurricular. I carry the drum for the band, pull the curtain for the drama society, wax the court for the basketball team, scrape the ice for the hockey team, clap erasers for the faculty club and shovel snow for the fraternity houses. Do you think these activities will really help me when I get out of college?

Eager

DEAR EAGER: I don't think the college will let you out.

Dear Dr. Frood: On New Year's Eve I foolishly resolved to be more generous with my Luckies. My friends have held me to this, and I've been forced to give away several packs a day. What do you think would happen if I broke this resolution?

Resolute

DEAR RESOLUTE: It's hard to tell, really. Lightning, a runaway horse, a tornado—who knows?

Dear Dr. Frood: Before vacation, my girl and I agreed to exchange Christmas presents. I sent her a nice hanky. You can imagine how I felt when I awoke Christmas morning to find a sports car from her. What can I do now?

Distraught

DEAR DISTRAUGHT: Remind her that Easter giving time is just around the corner.

Dear Dr. Frood: Can you help me convince my girl that I'm not as stupid as she thinks I am?

Anxious

DEAR ANXIOUS: Perhaps, but you'll have to convince me first.

TO GET A QUICK LIFT, suggests Frood, step into an elevator and light up a Lucky. Instantly, your spirits will rise. When you savor your Lucky, you're IN—for college students smoke more Luckies than any other regular. They're a wisened-up bunch who've known all along that Luckies taste great. Get the cigarettes with the toasted taste—get Luckies.

CHANGE TO LUCKIES and get some taste for a change!
